

scale ai's goal is to provide financial support for training in artificial and digital intelligence to 20,000 workers in Quebec by 2023.

For workers

25% funding for digital intelligence training

Scale ai funds 25% of registration fees for qualified candidates in accredited digital intelligence training programs available in person or online.

This program, which is specific to Quebec, is supported by funding from the *Ministère du Travail, de l'Emploi et de la Solidarité sociale*.

Am I eligible?

To receive the grant as an individual, you must meet the following eligibility criteria:

- work for a company registered in Quebec (NEQ)
- be employed in Quebec
- be enrolled in a digital intelligence training program accredited by SCALE AI, offered by a nonprofit organization, a CEGEP or a university.

AND you must not work for:

- a ministry OR organization of the Quebec government whose personnel is appointed and remunerated under Quebec's Public Service Act
- a political party or association
- a department or an organization under federal government jurisdiction
- a company whose operations have been interrupted by a labour dispute (strike or lockout)
- a company that has not fully repaid a debt previously contracted with *Emploi-Québec* or the *Ministère de l'Emploi, de la Solidarité sociale et de la Famille*, unless the t respects a written repayment agreement with the *Ministère* or *Emploi-Québec*.

How do I take advantage of the program to finance my training?

Select the program that best suits you from the list of training programs accredited by scale ai. At the time of registration, the organization will verify that you are qualified and apply the reduction directly to your registration fee.

List of accredited training programs

The program was launched in the fall of 2019. The list of accredited training programs will be regularly updated.
